

REMARKS

In the Office Action mailed Jan. 3, 2006, the claims 5-7 were objected to because of a period in the middle of each claim. The claims have been amended to remove the period.

Claims 2-7, 11-13 and 18-26 were rejected under 35 USC section 112, because of the term "predefined redundancy". The term "predefined" has been cancelled.

The other changes to the claims were made to further clarify the invention.

Reconsideration of the claims, and a Notice of Allowance, are solicited.

Respectfully Submitted
